

Egg Carton Ocean Animals

What you'll need

- Clean egg carton
- Scissors
- Coloured paint & paint brush
- Googly eyes
- Craft glue
- Coloured strips of paper or fabric

What to do

1. Cut the egg cups out of the carton around the edges
2. Paint the cups in your favourite colours
3. Cut a slit on each of the sides so you can fold the sides out to form different animal shapes.
4. Use the pictures as a guide.
5. Glue paper strips inside one of the egg cups to make octopus tentacles.
6. Glue eyes on the animals to bring them to life.
