

Make your own Dory

What you'll need

Empty cardboard toilet rolls
Scissors
Paint and paint brush
Glue

What to do

1. Flatten toilet roll
2. Cut a diagonal slice from the two bottom corners and fold in under
3. Cut the edges off the top end in a round shape to make the head of the fish
4. Paint the roll to bring your fish to life
5. Once dry, bend back into shape.
6. Glue eyes on as desired
7. (option) Cut a small hole through the top to hang Dory or make a fish mobile.

Have fun!! 😊
