

Teaching Notes

Oceans Cutouts

The Oceans Cutouts are in proportion to one another and the mural. As a result, the larger animals will have to be pieced together from more than one sheet of paper and the smaller animals will have more than one on a sheet. There is a code in the lower left hand corner of each of the pages. The placement of the larger animals is shown below. After the animals have been cut out and colored, they can be placed on the wall mural.
